City Police Chief Will Retire After 13 Years of Service

PLACENTIA — Chief of Police Earl W. Coleman, of the Placentia Police Department submitted his request for retirement to Edwin T. Powell, City Administrator, Tuesday afternoon, effective October 15, 1970.

Chief Coleman stated, "I have been making preparations for the last two years for this retirement, having purchased a 20 acre ranch near the water reservoir in Cario, which is near the city of Moberly, Missouri, and returning there last July to make some improvements. Cario will be small town living. Cario consists of 27 persons, a voluntary fire department, one grocery store, one lumber store, a bank and post office.

"I have enjoyed the past 13 years I have been with the police department and I have made more friends than any man can realize. I have been fortunate in having a City Council that any city can be proud of, having worked under

four city administrators, and I have always enjoyed the relationship of all of them.

"I am sure the new chief will bring new ideas and knowledge to improve the police department. I will always cherish the memories of Placentia and wish to thank everyone for their cooperation and patience."

Open Window At Nixon School Is First Police Call

YORBA LINDA — At 3:36 a.m. Thursday, October 1, Brea Police Officer Lloyd Hines observed an open window at the Richard Nixon School on Yorba Linda Blvd. He radioed to Brea Police Headquarters. A second officer arrived on the scene. Together they inspected the school, found no evidence of forced entry, closed the window, locked the door, and left.

Thus was recorded the first logged incident since the contractual agreement for police protection between the City of Yorba Linda and the City of Brea became effective.

Brea Police Chief Richard Baugh announced that nine new

people have been added to the Brea staff to absorb the 30% increase in responsibilities.

The contractual agreement is for an 18 month duration, however, Darrel Dalton, Yorba Linda City Administrator and Police Chief in title, sees a possibility of a permanent agreement with Brea, so it would not be necessary for each city to support its own Police Department.

Residents of Yorba Linda who require the assistance of the police should call 529-3966. The station is at 401 S. Brea Boulevard.

Residents requiring Fire or Rescue aid are to call 538-3501.

Langsdorf Promoted To Vice Chancellor

FULLERTON — Appointments of a new vice chancellor for academic affairs and a new systemwide dean of institutional research effective December 1 were announced last week by Chancellor Glenn S. Dumke of The California State Colleges.

President William B. Langsdorf of California State College, Fullerton will assume the vice chancellor position of Dr. R. G. Whitesel, whose request for assignment as dean of institutional research was approved by Chancellor Dumke.

"I am pleased that President Langsdorf has accepted the position as vice chancellor, academic affairs, in which Dr. Whitesel has exercised notable

leadership and insight since his appointment in 1968," Chancellor Dumke said.

"President Langsdorf, as founding president at Fullerton, has applied skill, integrity and courage in advancing the campus to the ranks of our most respected and prestigious State Colleges.

"It is my intention to implement presidential selection procedures at Fullerton as quickly as possible with a view toward assuring the campus a new president whose leadership qualities can equal those of Dr. Langsdorf's."

Chancellor Dumke also announced the appointment of Dr. L. Donald Shields, Cal State vice-president for administration, as acting president at Fullerton

when Dr. Langsdorf begins a period of vacation.

In disclosing his new assignment to his faculty and staff at Fullerton, President Langsdorf made the following statement:

"The Chancellor of The California State Colleges has asked me to accept the position of vice chancellor for academic affairs. I have accepted. My reasons for doing so are several. I believe the position to be one of major importance to the State Colleges as a whole, and that my service may thus be of significant value.

YL Planners To Consider R-4 Zone

YORBA LINDA—The Planning Commission will have one item on its agenda when it meets Monday, October 12 at 7:30 p.m. at City Hall.

Planners will consider a request from Vernon L. Frederick to rezone a two acre parcel on the east side of Avocado south of Oriente from R-1 12,000 to ACR-4 4,000.

Armed Man Robs Local Business

PLACENTIA—The Stop and Go Market at 110 N. Bradford was robbed by an armed gunman Friday evening, according to Placentia Police.

A blond barefoot young customer made a purchase at the store just before 10 p.m. He returned to the store shortly and seemed to be looking for a second item, said police reports.

The clerk, Armando "Mouse" Gonzalez, asked the customer if he could help him find something. The young man approached Gonzalez, jabbed a blue steel revolver into his ribs, and announced "This is a holdup!"

A total of \$406.00 was taken in the robbery, according to police.

YL Council Approves Zone Change For Lan-Ron Co.

YORBA LINDA — The City Council approved by a 3-2 vote a zone change requested by Lan-Ron Properties to decrease commercial and single-family zoning and increase multiple family R-2 zoning on property west of Fairmont Boulevard and north of Yorba Linda Boulevard.

The developer, Daniel Lane, said that the change was necessary to bring the development up to what he considered good development standards.

In a second hearing the council approved pre-annexation zoning for property north of the mobile home park on Rose Drive and Wabash from E-4 15,000 to mobile home park zoning to allow

expansion of that park by a 4-1 vote.

The council also approved a sign for Pilatos bakery in the Michaels Market Center on Imperial Highway at Lemon Street.

Other items on the agenda were continued until the next regular meeting October 19 because of the late hour.

Santa Fe Rail Station Will Drop Status

PLACENTIA — The California Public Utilities Commission has granted permission for the Santa Fe Railway to reduce its station in Placentia to non-agency status following lengthy consideration.

The station, located at Bradford and Santa Fe, has served the city since 1910. Its coming provided the impetus for the laying out of the townsite of Placentia.

With the closure of the station, all freight presently handled in Placentia will be handled in Fullerton, three miles to the west.

Requests Presented To Council

PLACENTIA—Following walk-outs by Mexican-Americans during the first week of school, members of the Chicano Student Union met with the Valencia student council last week to discuss their requests.

Formerly La Raza, the CSU presented six requests to members of the high school student government in sessions held last week.

Demands made by the Union included representation of Mexican-Americans in student government or in the decision-making process on student council; a class in English as a second language; more bilingual teachers and a Mexican-American counselor, as it is felt that language and cultural barriers are experienced with teachers who speak only English; that student body funds go to finance a Mexican-American culture week; that a scholarship fund be established in memory of Ruben Salazar for a needy Mexican-American student; and that some type of facility be established to allow members of different races to get together to study and talk.

Mayor Sam Magnus of Brea and Mayor George Machado of Yorba Linda, kneeling, place city shield on Brea police car which began service in Yorba Linda October 1. Brea Police Chief Richard Baugh, center, Sgt. R. B. Kuhel and officer J. H. Watkins look on.

Your Trouble Is Just Nerves . . . Or Is It?

"Your trouble is nerves, that's all" many have been told.

But, according to Dr. Donald Brinkley, of the Brinkley Chiropractic Center, your nerves are too important to your body to be dismissed so easily.

"You must remember," Dr. Brinkley he says, "that every function taking place in your body is under control of the nerve system. I call it the Master System of the Human Body."

A healthy nervous system gives you strength and energy for the day's work. It brushes aside sickness, it shrugs off ordinary aches and pains. It fights off the usual deterioration of "middle age." All in all, it gives you that "isn't-it-great-to-be-alive" feeling day after glorious day.

An unhealthy nervous system? "That's a different story," Dr. Brinkley says, "one that can be titled NERVOUSNESS."

According to Dr. Brinkley, there is a dictionary definition of nervousness; and a nervous patient's understanding of the word. "Quite obviously," he says, "the two can differ greatly."

"While a patient may complain that he is easily upset, often he cannot put into words, what he means by feeling nervous," says Dr. Brinkley. "To the patient, feeling nervous can be an unpleasant, sometimes frightening experience making it difficult to work or concentrate and causing him to feel anxious and apprehensive. Often he will be restless, fidgety, and easily startled. He may display mannerisms such as nailbiting and he may be irritable, show worry or act bewildered."

Brinkley goes on, "there can be palpitation of the heart, gastric distress, head aches, blurred vision and irregularity."

"You must remember, however, nervousness is not a disease in itself. It is symptomatic or a series of symptoms of some physical problem in the body."

"Left uncorrected," he adds, "nervousness can cause a multitude of serious, chronic conditions. And virtually all major psychotic disorders begin with the symptoms of nervousness."

Dr. Brinkley urges these people who experience frequent nervousness or its symptoms to seek accurate diagnosis and treatment.

"A simple painless nerve test can quickly reveal nervous disorders," Dr. Brinkley notes.

Persons who suffer from nervousness or fatigue owe it to themselves and their families to have their nerve systems tested to find out for sure.

"Some of my most rewarding experiences with my patients have come following the freeing of a 'blocked nerve' and the release of nature's wondrous healing and sustaining power," Dr. Brinkley says.

"I sincerely hope that those people who find a relationship between the problems I've described and their own condition will look to the modern doctor for help."

Further information regarding this problem can be had by writing the News-Times, Box 10, 130 N. Bradford Ave., Placentia, Calif. 92670.

October Is Month Of Involvement At Wagner

The month of October will see a continuing involvement of PTA parents, teachers and students. October 2nd was the first of a series of movies to be shown once a month at 3:30 p.m. except November for the school year. These movies will be

an on going fund raising project for the library that the Wagner students can

soon use. Book dedications from Wagner families will start October 26th.

The kickoff for the annual PTA membership drive will be Monday October 12th.

Cal State, Lutheran Tie In County Debut

Cal State Fullerton's football squad battled Cal Lutheran to a scoreless tie 0-0 last Friday night in its Orange County debut before 6,003 persons at Anaheim Stadium.

The two teams each had good chances to score but couldn't. The Titans blew two golden opportunities in the first quarter. On their first drive upfield Mike Ernst completed 4 tosses moving the ball to the 8 yard

line.

On fourth down and 3 yards Ernst handed off to Tyronne Perry who was only able to pick up two yards.

Dan O'Dell then picked off a pass returning it to Cal Lutherans 41 yard line. After picking up only one first down Craig Hiatt attempted a 27 yard field goal which was wide to the left.

Troy Varsity Crushed In Freeway Opener 34-7

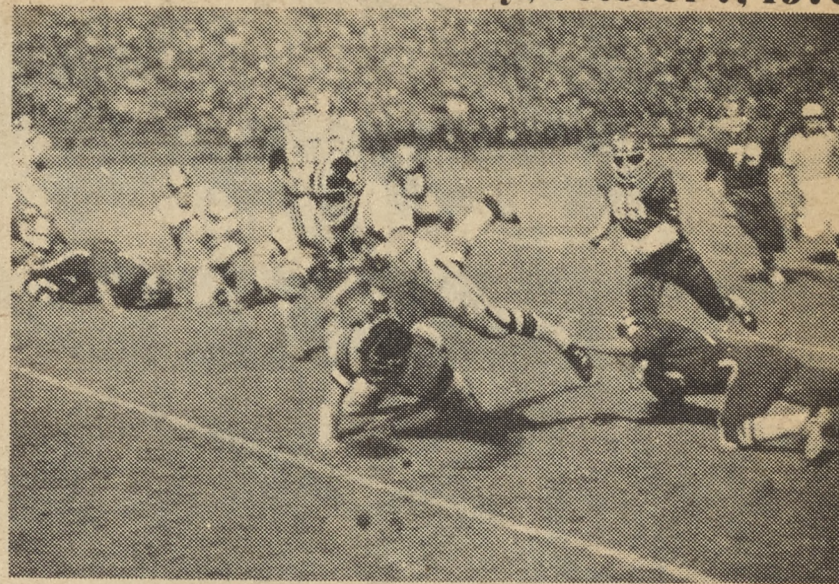

It was another long night for Warrior fans as the Savanna Rebels, led by Q.B. Frank Mazon, crushed Troy 34-7 at La Palma stadium last Friday night.

Again Troy looked futile as they fumbled on the first play from scrimmage. Savanna then drove to the Troy 17 but was stopped there by an enlightened defense. A clipping penalty kept the Warriors from going anywhere and the next time Savanna got the ball they drove 50 yards for a touchdown as Mazon went over from the 7. The two-point conversion failed and the score stood at 6-0.

Troy's bulldog, Senior Lance Copeland, took the kick-off to the Troy 45. On the next play Copeland swept around left end and rammed 30 yards to the Savanna 25. Six plays later Quarterback Bill Cathers

bootlegged over from three yards out. The kick was good and, with the score 7-6, Troy led for the first time in the 1970 season.

The fourth quarter opened with Troy stopping the Rebs on the 12 yard line but the offense was finished and six plays later Savanna was knocking again. The Rebs added one more late in the game to make the final score 34-7.

Troy High quarterback Bill Cathers leaps into the end zone from the four yard line, scoring the Warriors only touchdown in a 34-7 rout by Savanna Friday night.

Rangel Leads Tiger Team To First Victory Against Rubidoux Falcons

Valencia's Tigers recorded their first win this year by rolling over Rubidoux 21-6 in Bradford Stadium last Saturday night.

"I was extremely pleased that the score came out the way it did," stated Coach Stout. But then he added, "We didn't hit too well except for Joe Rangel and Scott Sommerville, and our execution wasn't the best."

Joe Rangel made the difference for Valencia scoring all three touchdowns.

Rangel took a backward dive over the Falcon line into paydirt with 1:39 gone in the first quarter and scored again from the two yard line with 1:11

remaining in the first half.

He then broke loose for 9 yards into the end zone during the fourth quarter.

Offense isn't the only part of the game for Captain Rangel as he led the club with 8 lead tackles on defense and punted 5 times

for 38 yards average.

Dean Yamada threw 9 passes, hitting receivers 4 times for 73 yards while Ed Snead completed 1 of 3 for 34 yards. Pete LaBorde in his first appearance on the varsity level attempted 3 passes completing 1 for 10 yards.

EDHS To Tackle Gahr; Runs Over Pioneers 19-7

El Dorado will risk a two game winning streak against Gahr, at Bradford Stadium, Friday night.

El Dorado whipped the Artesia Pioneers, 19-7, last

Friday to make it two out of three for the 1970 season.

Artesia got off to a quick start by intercepting a Phil Hendershot pass and bringing it to the EDHS 15 yard line. However because of a penalty, the Hawks regained possession of the ball.

Neither team scored in the first quarter, but with five minutes left in the half, El Dorado ended a 60 yard drive to lead 6-0.

Linebacker Tony Nadau started the drive with his first interception of the night. Then quarterback Hendershot took over and marched the team down the field. The drive ended in the end zone when Tom Davis caught a touchdown pass.

El Dorado also scored again before half time to lead 12-0 and had possession of the ball with 20 seconds to play. Hendershot then threw a pass which was picked off by a Pioneer and brought to the El Dorado five yard line. With six seconds left, Artesia scored and only trailed 12-7 at half time.

Cement Truck Falls Into Channel

Chester Lankford, an Anaheim truck driver escaped serious injury as the vehicle he was driving fell from the edge of a roadway Friday morning.

Placentia police and fire units responded the site at the end of Vista Street, where construction of the Carbon Creek Flood Control Channel is under way.

A temporary dirt roadway runs from ground level to the floor of the channel fifteen feet below. Because the channel is narrow, cement laden trucks back down the roadway to deposit their loads into the prebuilt forms.

As Lankford maneuvered his truck down the road, the shoulder of the road gave

way beneath the left rear wheel, causing it to fall backward on its side in the soft earth side of the channel. The truck loaded with seven and a half cubic yards of cement and weighed 50,000 lbs.

A 65 foot crane was brought to the scene in late afternoon, and the wrecked truck was retrieved.

Hayes Family Wins New Speedboat In Sweepstakes

Mr. and Mrs. Bill Hayes of Placentia were recently the winners of a 10 foot fiberglass speed boat complete with trailer and accessories in a national sweepstakes run by a cola company recently.

Hayes said that the boat has a retail value of \$1,600 and a wholesale value of \$1,100. He commented that sales tax on the boat was

paid by the company running the sweepstakes.

Hayes said that his wife sent in a coupon for the sweepstakes and was surprised recently when told she was one of six winners in this area.

Mrs. Hayes commented that, having never had a boat before, they weren't sure what they would do with it.

Girl Not Seriously Injured

Seven year old Brenda Ruth Ybarra of 914 Cypress Street escaped serious injury as her fathers car rolled over her legs last Tuesday, according to police reports.

Salvador Ybarra was pushing his car out of his driveway which is a slight down grade. As the vehicle gained speed, he jumped in, and turned the steering wheel so it would be heading south, said police.

Parade Time Moved To Earlier Time

The Placentia Jaycees recently announced that the Heritage parade starting time has been moved to 11:30 a.m. October 24th.

Marvin Reid, parade chairman, said the change in schedule was due to a conflict with the El Dorado-Sonora football game at Bradford Field.

The Festival parade route includes Madison and Bradford Avenues adjacent to the field and would have blocked all access to the stadium parking until well after the 2:00 p.m. kickoff time. With the 11:30 parade starting time, all units should be clear of the stadium area by 1:30 p.m. allowing adequate time for fans to park and enter the stadium.

Chamber To Hold Monthly Meeting

September 15 at Alta Vista Country Club at 12 noon, members of the Board of Directors of the Chamber of Commerce will gather for the October meeting. Aside from the regular business of the meeting, there will be a speaker. T.A. Shinn will be in charge of the program.

Merchants Meet With City Mayor

Mayor's breakfast meeting of Merchants of the city of Placentia held in Backs Community building Thursday morning was sparsely attended by local merchants. The meeting lasted from 7:30 to 8:30 a.m., and brought out from staff members the status of the proposed hospital eventually to be built on the 14 acres site.

Mayor Finnell and City Administrator Edwin Powell brought out the salient points of why Placentia could not accept the terms of a shopping center, which is now in progress at Bradford and Yorba Linda avenues in Fullerton territory. This part of the agenda was brought up earlier in the month by directors of the Chamber of Commerce, and was explained in detail with all its ramifications.

Letter To The Editor

Dear Editor:

After learning the news of the recent resignation of Placentia Police Chief Earl W. Coleman, I would like very much to share with readers a few comments and observations on a man whose absence will represent a tremendous personal and professional loss not only to the citizens of Placentia, but to those of all Orange County as well.

As a former Administrative Intern for the City of Placentia, I had the opportunity and the honor of both

knowing and working with Chief Coleman as well as watching the operations of his police department in action. In a time of widespread civil unrest and ethnic tension and of general controversy focused upon law enforcement images in the community, Chief Coleman's department and its men have consistently rated No. 1 with the residents of the city it serves. In last year's community attitude survey released by the city, the Placentia Police Depart-

ment received an unprecedented good or excellent rating of slightly less than 80 per cent of the residents polled. This superior rating was only slightly higher than that obtained two years earlier in a similar survey made by the Chamber of Commerce.

We can only wish him nothing but happiness for the future and thank him for being Earl W. Coleman. Our lives, as well as our community, have benefitted greatly.

Sincerely,
E.J. Covey

Marlins Win

The Marlins hit the win column this week by defeating the Westminster Hornets at El Dorado Saturday.

Stingrays Roll

The Stingrays traveled to Buena Park Saturday night to thoroughly out class the Tri-Cities Chargers 45-0.

The Stingrays defense played superbly. The Charger quarterback was intercepted three times; once each by Ford, Nachazel and Sanchez.

This far in the season, the Stingrays offense has rolled up 125 points while the defense is yet to be scored upon!!

Harriers To Face Artesia In Dual Meet

Thursday the Valencia Harriers will journey to Artesia in pursuit of a non-league victory. The gun is scheduled to go off at 3:15.

The Corona del Mar Invitational, the Long Beach Invitational, and interclass competition sparked the opening of the 1970 cross country season.

Ruben Rojas, a sophomore at Valencia, looks to be a bright prospect for the '70 season. Rojas was the first Harrier to finish in all three meets.

Tony Morocco, Mike Boaz, Alex Lopez, Ron Moers, Lupe Saavedra, Greg Spier, and Clark Johnson are other members of the Tiger cross country team.

Coach Mike Cummins has many runners returning from a championship JV team in 1969. For two years in a row the varsity Harriers have maintained a CIF berth.

"Strong individual performances are fine," commented Cummins, "but by far the most important factor is for every runner to unite their efforts and work together as a team."

The Tigers will complete their pre-season schedule Saturday, October 17, at the Orange County Invitational.

Water Polo At Marina; Loses Two

Today the Valencia High School water polo teams travel to Marina High School for a non-league game scheduled for 3:15.

Last week the Tigers faced two tough defeats in the Estancia Tournament. The first loss was to a strong Foothill team. The final score was 9-3 with Rick Pickrell scoring two of the three goals and Don Gresham adding one.

Troy's Warriors were the victors in Friday's game by defeating the Tigers 6-4. Consistent Rick Pickrell, chosen for the All-Tournament team in the VHS Tournament, Chalked up three while Tiger captain Dave Turnquist scored once.

Coach Jim Lock, who coached last year's league champs is still confident in the ability and depth of his squad this season.

Lock remarked, "The team has a good chance of winning league this year. Our depth this season is nothing short of fantastic. We have a six-man bench that is almost as good as the starters. I feel we have the best-balanced team in Valencia history."

The season record now stands at 3-5. Laguna will be the opponents in the first league match on October 14 at Laguna. The Tiger squad will seek revenge against Foothill Friday in their own pool.
